To our valued customers:

Gibson Machinery is pleased to announce the following additions to our product support team:

Tim Wagner – Product Support Representative

Tim has joined our team having most recently worked for Columbus Equipment Company and brings with him over twenty five years of construction equipment experience. He has held positions as shop mechanic, service manager, and parts manager. We feel that with his well rounded knowledge of our industry and knowledge of what our customers need and expect he will be a fine addition to our team. Tim resides in East Palestine, Ohio and covers counties in western Pennsylvania. He will be working out of our Neville Island facility located at 4986 Grand Avenue and can be reached on his cellular phone at 412-584-6901 (or contact us at 1-800-843-1205). E-mail: timw@gibsonmachinery.com Please join us in welcoming Tim and feel free to contact him at your convenience.

Bryan Cox – Field Service Manager

Bryan has joined our team having most recently worked for Columbus Equipment Company and brings with him over twenty years of construction equipment experience. He has held positions such as diesel mechanic, shop mechanic, shop foreman, and service manager. We feel that with his well rounded knowledge of our industry and of the customer needs and desires he also will prove to be a fine asset to our team. Bryan will be working closely with Mike Morrow our shop service manager who has been with us for over twenty five years. We feel the combination of these men we will provide our customers even better solutions to their equipment servicing needs. Bryan resides in Massillon, Ohio and will be working out of our Oakwood Village, Ohio facility located at 181 Oakleaf Oval and can be reached on his cellular phone at 216-440-2579 or contact us at 440-439-4000.
